Dedication

Blessed with the opportunity to live in an era when freedom, peace, and love for thy fellow man is not merely a dream, we, the graduating class of 1973 dedicate this yearbook to the Vietnam War veterans.

They have given us the determination and perseverance necessary in obtaining our goals and have led us to a more meaningful understanding of courage and loyalty to our country. Saying that it is a privilege to live in their generation is not nearly enough. We must go out, as they have done, and become the guiding light for the following generation so that theirs might be a replica of ours.

Though there were periods of tribulations and anguish, they have gone ahead and fought for a seemingly impossible dream — a dream that has turned into reality only through their efforts.

We, as Americans, wish to enlighten others with this dream and to help others take advantage of the happiness it holds. For what you have attained is the ultimate goal — a goal that in itself makes life possible. What you have given us is peace, the one achievement which surpasses all others.

Foreward

"And God said, 'Let there be light; and there was light.
And God saw the light, that it was good.'"

This light represents all the attributes composing each one of us. The variation of this light creates the individual in all his uniqueness.

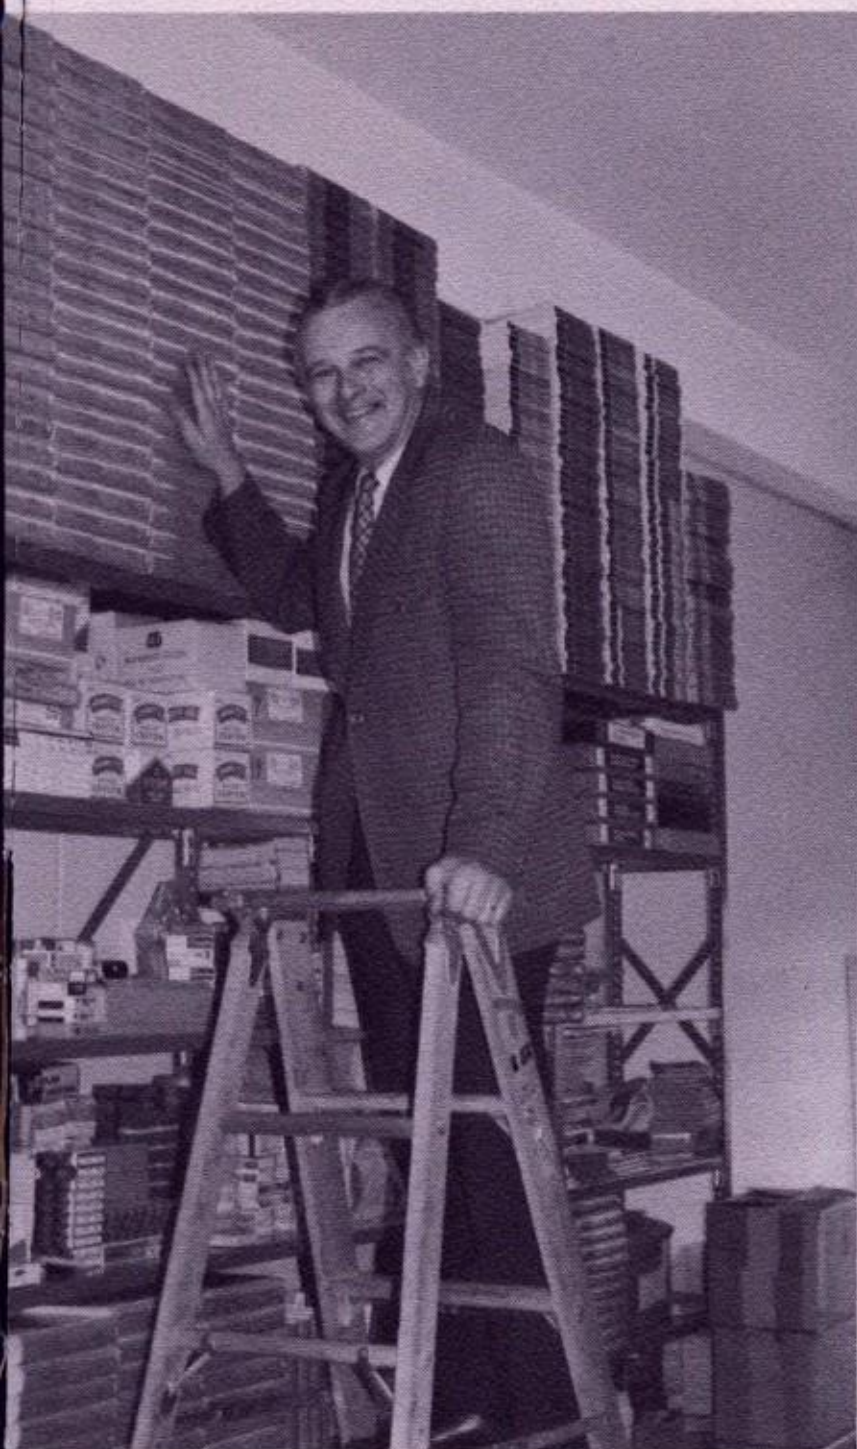

In the beginning, our light was shadowed and sheltered. It was fashioned of many colors, yet indistinguishable to ourselves and others. These colors varied in brilliance and tone. A growth and direction provided by a prism was a necessity for our lights to shine even brighter.

Senior Class Advisors

Dearest Ralph
I don't know
how I'll get through
next year without you
to yell "Ralph!" at.
I have the greatest pleasure
to thank you for
giving me the best
class of my life. Please keep in
touch. I'll always
count you and
my secret
parents.

The true test of civilization is not the census, nor the size of cities, nor the crops — no, but the kind of man the country turns out," said Ralph Waldo Emerson. If this is so, the Class of 1973 will contribute much to America's passing that test.

Throughout your past four years at Kennedy High School you have learned not only English but communication, not only social science but thought processes. You have shared, discussed, and inter-reacted with each other.

As your class adviser I have been continually impressed with your co-operation, spirit, goodness, and humor with myself and with each other, no matter how difficult the job. The Class of 1973 is truly "the greatest." You have made these past two years the happiest of my teaching career.

Now you are students no longer. As adults you face the tremendous challenge of making the nuclear society advanced in civilization. May your training here have given you the determination and the ability to meet this task successfully.

Continue to learn, for learning is living. Continue to grow in the wisdom, maturity, and sensitivity that you began to display at Kennedy High School. Above all, continue to light the world with your own unique talents.

May every strength and happiness be yours in the years ahead.

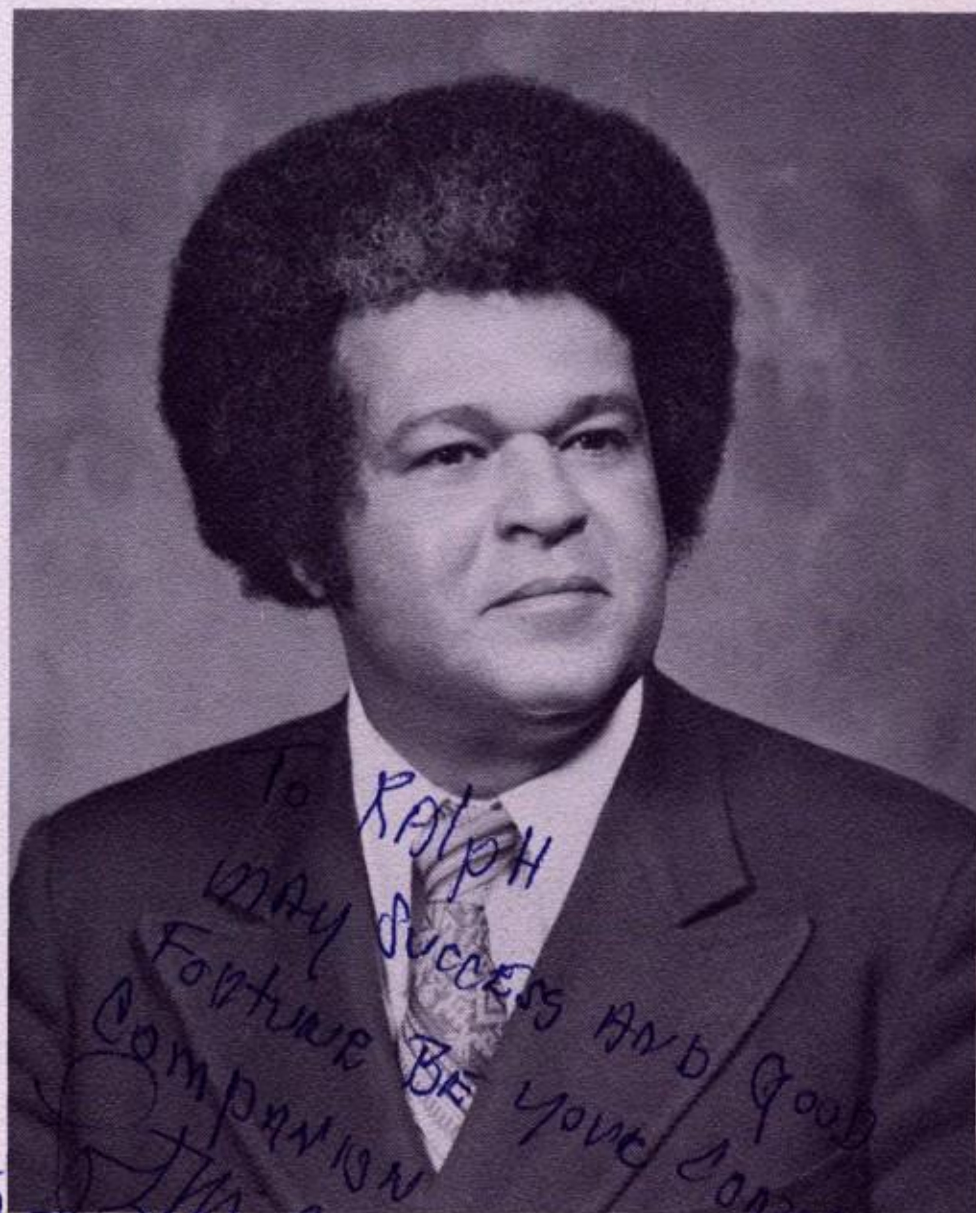

JO ANN M. DE MARCO

If you ever just
need anything just
call. All my love,
Jo Ann

I would like to congratulate you upon fulfilling another phase in the never ending process of education. Graduation is not an end to learning but a beginning. Learning is not a finite process but an infinite one. Living itself is a continuous education. We your teachers, have attempted to give you the necessary tools to enable you to live and cope in our competitive, complex, and constantly changing society. We have attempted to impact values that will give your life meaning and make it worth while to live regardless of your station.

I am honored to have been chosen to be your adviser and for the small part I have played in your life. And it is my heart felt wish that the future brings you love, health, success, happiness and peace of mind. I hope you keep this passing thought in mind — the future belongs to those who prepare for it.

Athletics

Athletic Director

Energetic, thoughtful, and concerned are only a few words that describe the man who is our Athletic Director, Mr. Victor Felano. Vic's job calls for many long, thankless hours of arranging schedules, setting up for games, and attending sports activities of all kinds. He showed a keen personal interest in everything having to do with JFK athletics and exhibited the spirit and determination which is so necessary to get the job done. All we can say is, "Thank you, Mr. Felano for all your help and guidance, and may your work be an inspiration to all that come in contact with you."

Rifle and Golf

The JFK Rifle Team under the direction of Coach Nick DeFabrizio once again compiled a fine record in duel meet competition and highlighted their season with a defeat of Eastside's team by a score of 460-451. The outstanding performers for the team included seniors Glenn Rees, Alfredo Vasquez, and Mariann Mundrick. Junior John Parrilli was also outstanding.

The Golf Team with senior Jim Sopuch leading the way made it a successful season for Coach Phil Cantanzaro. Other members of the Golf Team were juniors, Mike LaConti and Rich Agamie.

Football

1973 was a banner year for Coach Jim Bradshaw and his fine Knight Football Team. The squad compiled its best record since the move to the Totowa campus in 1965 at 6 wins and three losses. The offensive team was anchored by Karl Mix, fullback, and Ralph Rogers, split end, who along with junior quarterback Jon Warren gave the Knights a very explosive offense.

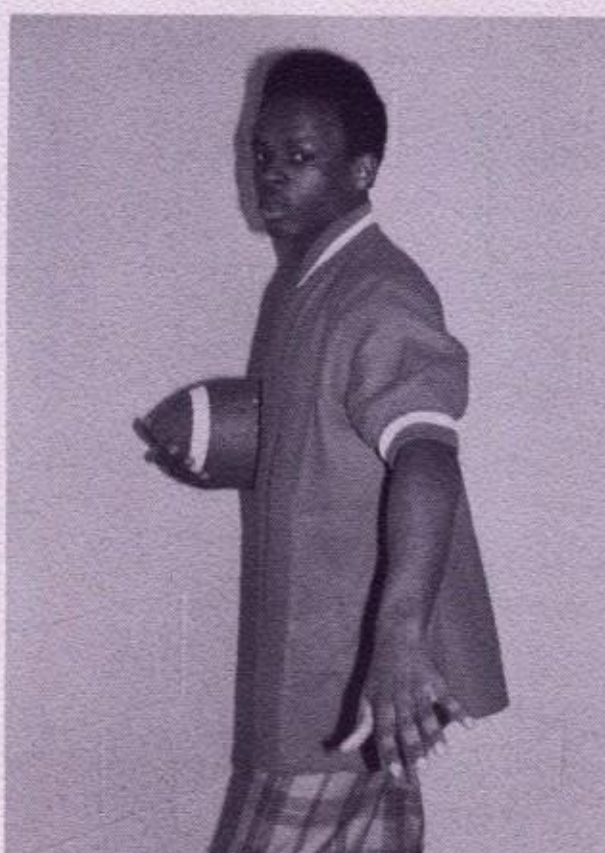

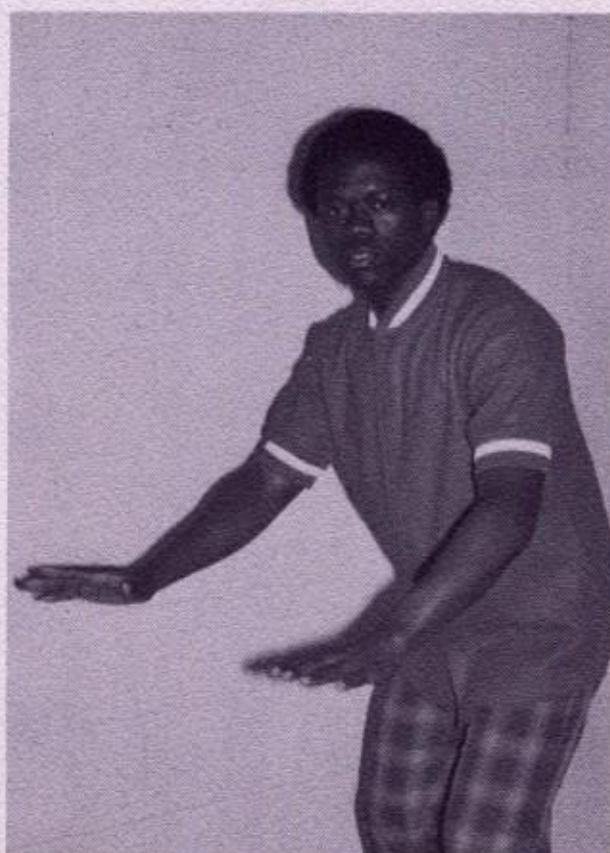

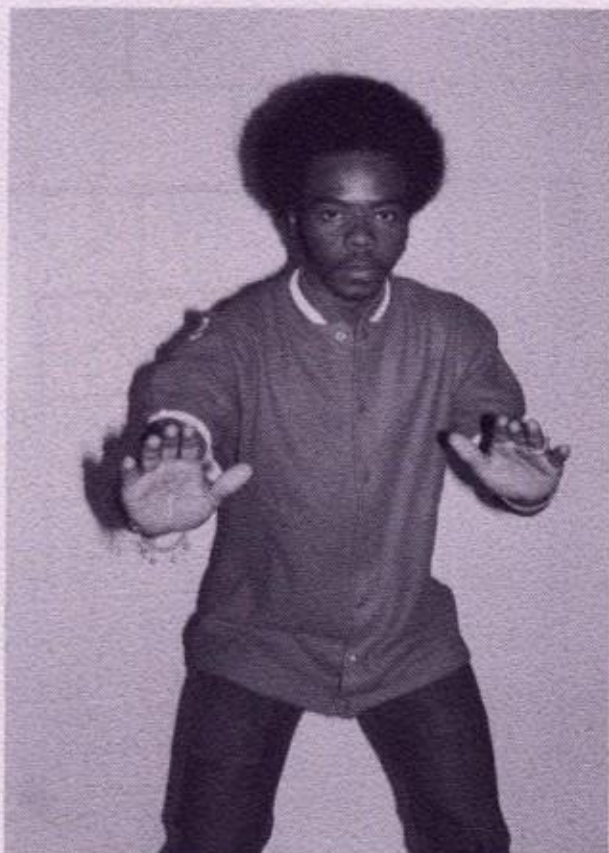

The defense also proved to be very stingy with co-captains Chris Casimos and Karl Mix along the defensive line and Sonny Griggs holding down the defensive backfield.

Wrestling

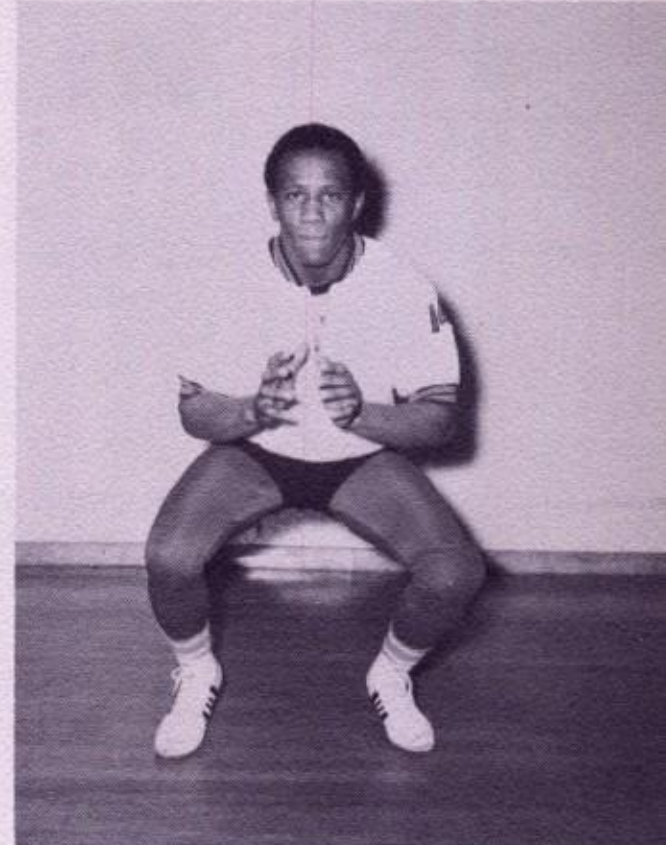

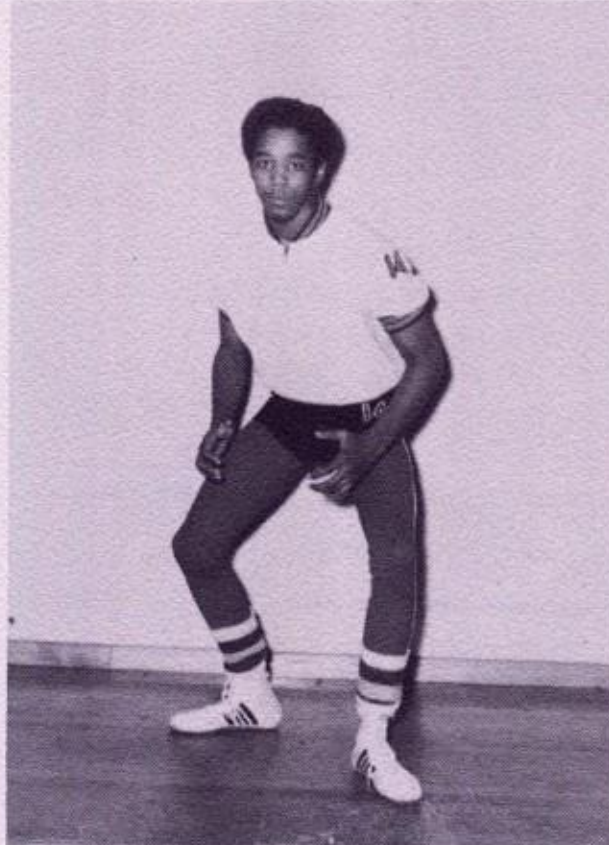

The men of Coach Phil Cantanzaro were once again untouchable in match competition, compiling a perfect 12-0 record and extending their three year winning streak to 42 straight. They also captured their third straight PVC title along with the PVC Christmas Tournament.

Co-captains Vic Hargett and Nelson Hayspell both advanced through the districts and regional tournaments. In the State Tournament both wrestlers were defeated in tough matches. Other outstanding wrestlers included Mike Arce, Bill Neil, and John Williams whose steady performances proved to be invaluable to the team.

Track and Cross Country

The 1973 Track Team under the direction of Coach Jesse Dale has a very impressive record. The team was led by the senior sprinters, Tom McCollum, Ralph Rogers, and Karl Mix. Also starring for the team were pole vaulters, Al Kormesser, and Sergio Avila and discus and shot putter, Chris Casimos. The team was in running for its first PVC title.

The Cross Country team, led by senior Robert Spencer and a host of talented underclassmen, captured its first PVC title this past season after a lackluster duel meet record.

Bowling

With ten seniors dominating this year's squad, the 1973 bowling team was the most talented ever assembled. In regular league competition, Kennedy placed third, led by senior Mat Kebabjian and juniors Jim Smith and Mike LaConti. Kennedy also placed third in the Passaic County Tournament where sophomore George Oliver was chosen to the All-County team.

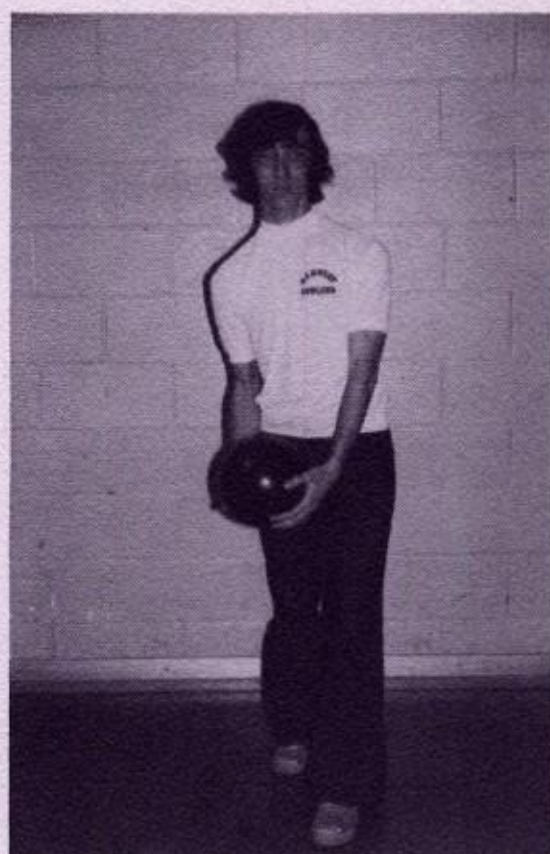

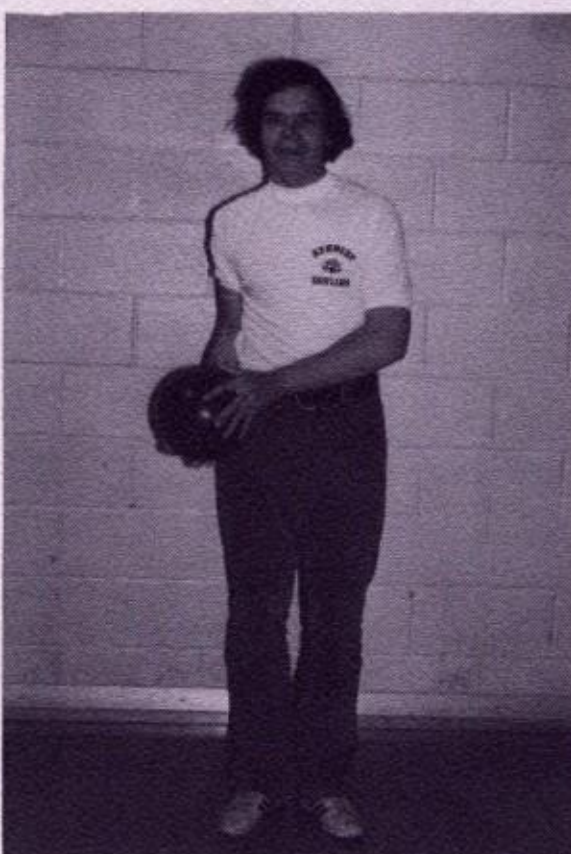

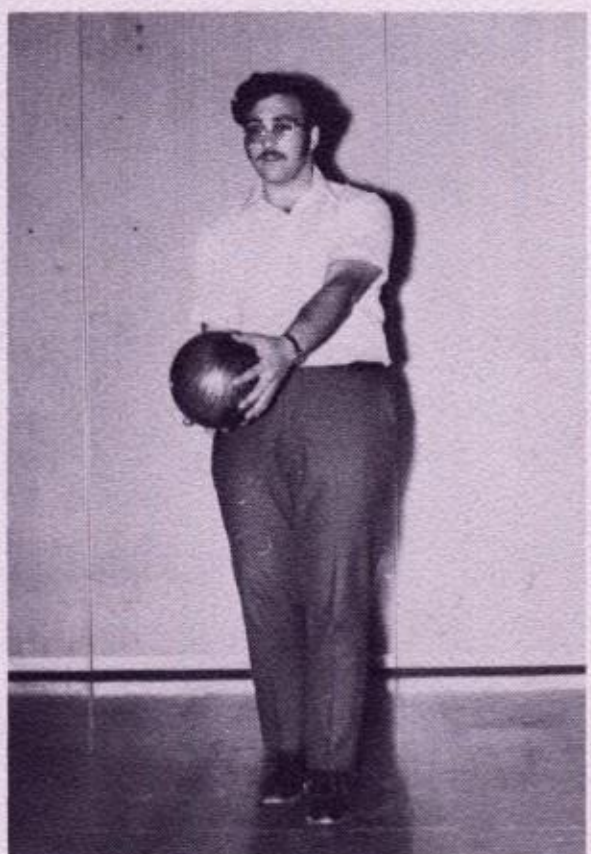

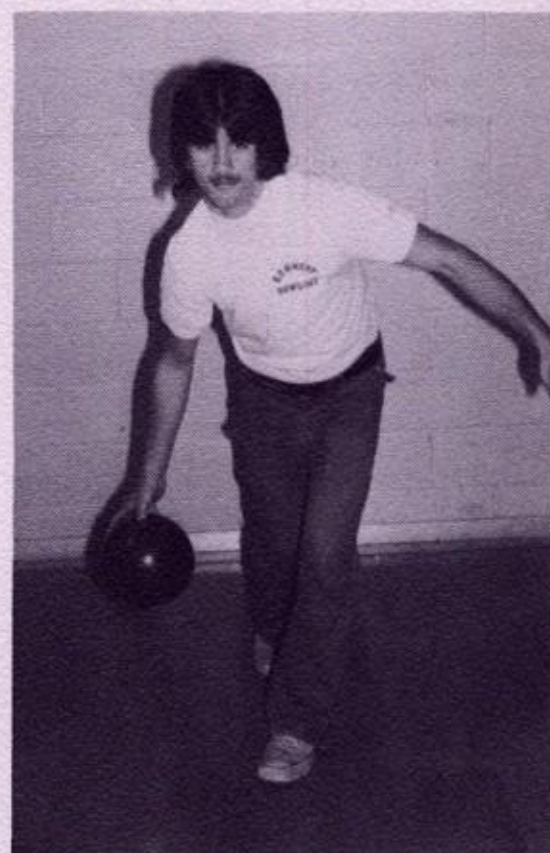

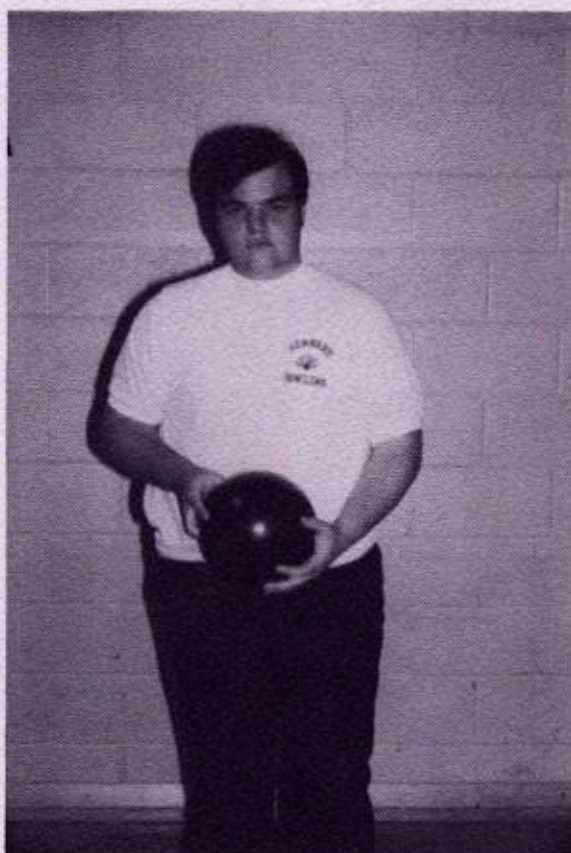

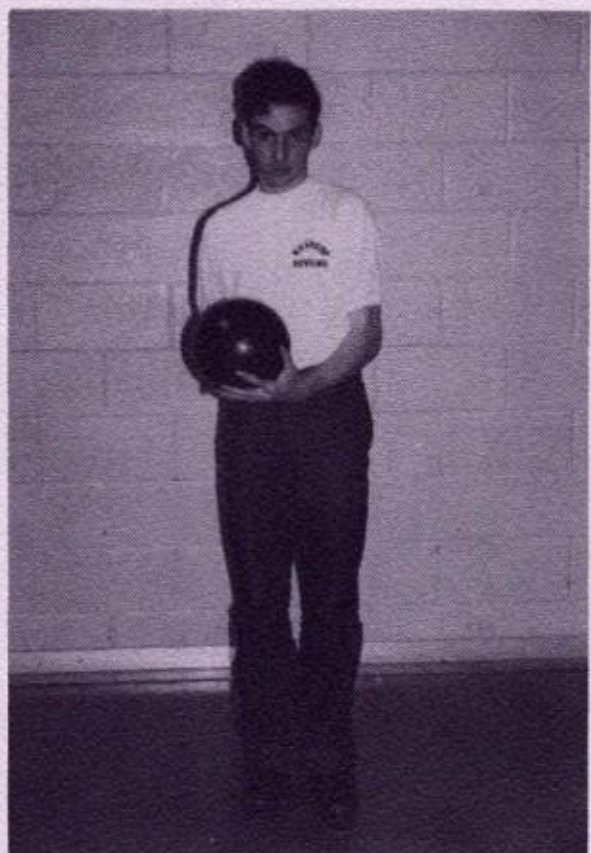

Coach Joseph Parrillo is to be commended for his leadership and guidance in helping the team compile such an outstanding record.

Soccer

This year's edition of the JFK Soccer Team saw a change at the head coach position, with Mr. Joseph Reider taking over for newly appointed athletic director, Mr. Victor Felano. Under the Leadership of co-captains George Baram and George Bejoun the team compiled a very impressive record. Although the team failed to garnish the P.V.C. title this year, the future looks bright with many talented sophomores and juniors returning to next year's squad.

Tennis

The Tennis Team under the coaching of Mr. Robert Gut, showed great improvement although its record was not admirable. Playing first singles for the team was junior John George, second singles was held down by senior Kamal Bijj who led the team in victories and third singles was played by Charles Muth. The doubles teams included seniors Walt Moskalow, Jerry Volpe, Bob Perkins and Glenn Rees.

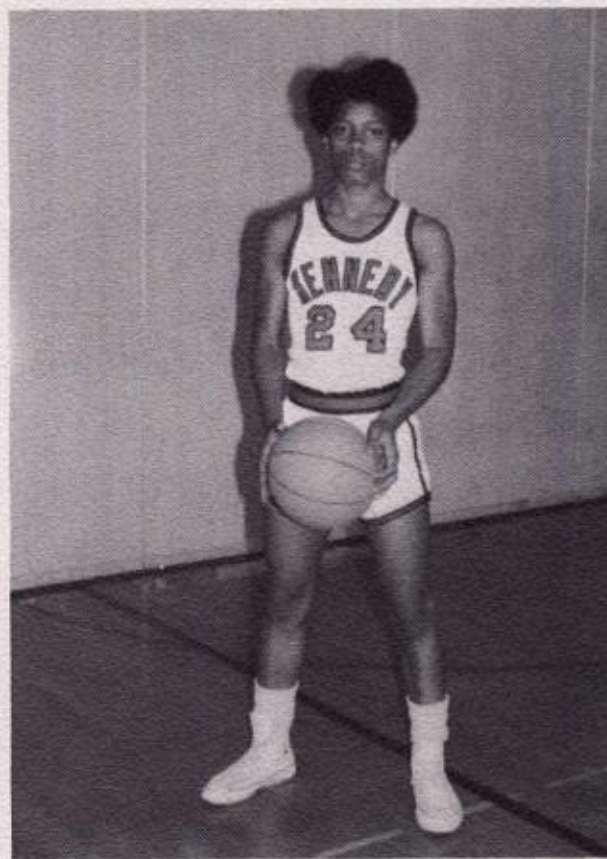

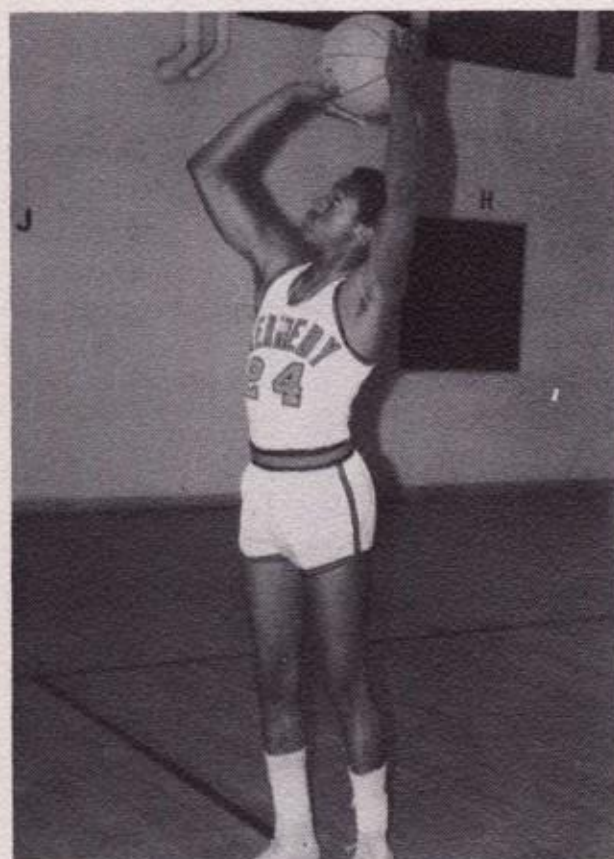

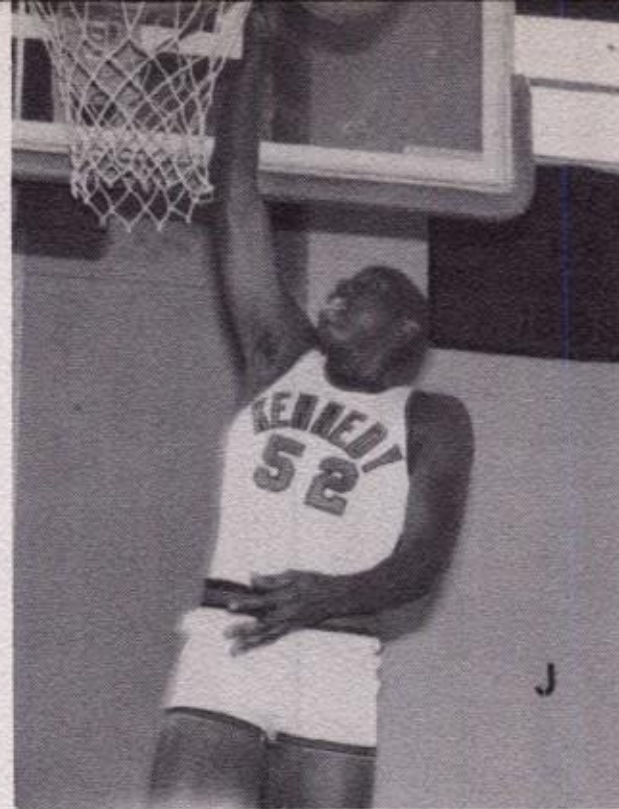

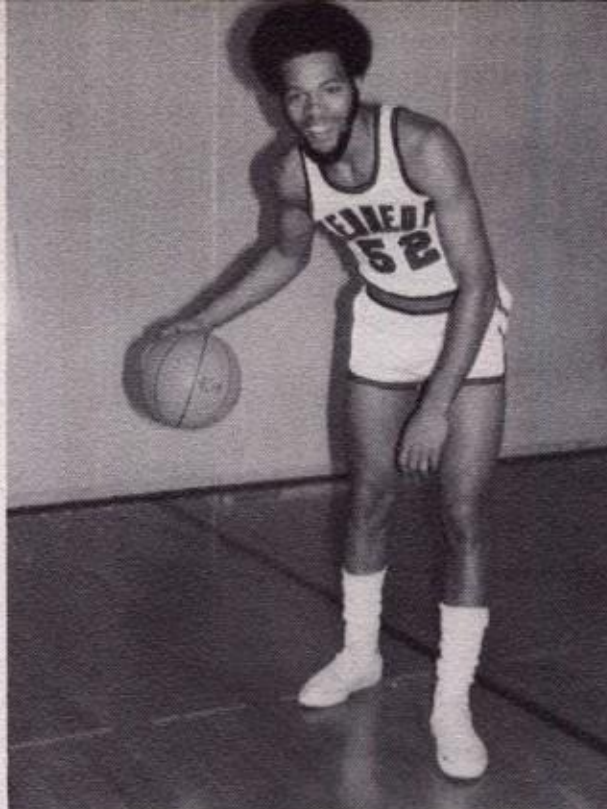

The tennis team is to be congratulated for their competitive spirit and the sportsmanship they show at all their matches.

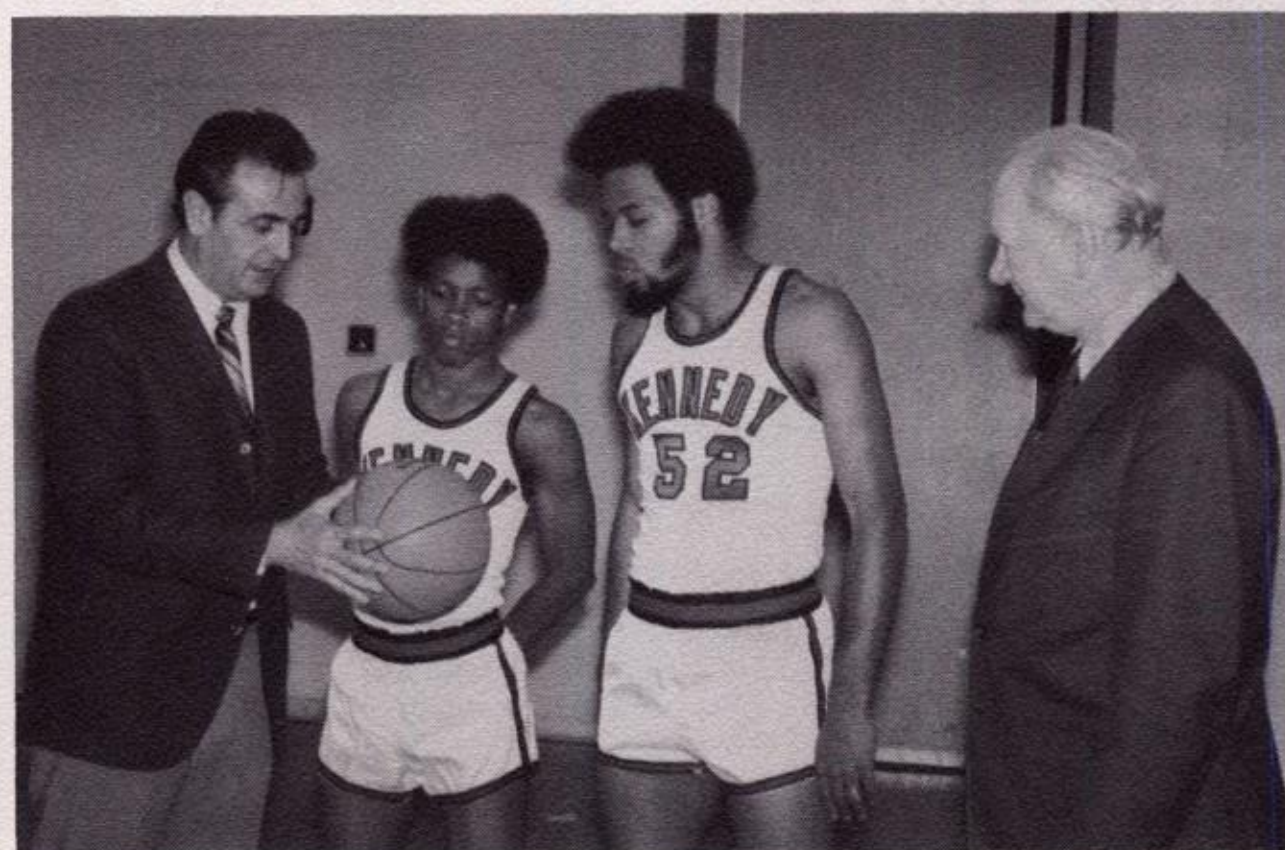

LEFT: Kamal Bijj. CENTER — LEFT TO RIGHT: Charles Muth, Glenn Rees, Gerry Volpe. LOWER: Tennis Team.

Basketball

The 1973 edition of the Kennedy Basketball Team was once again very competitive in its own league and against some tough independent squads. The team was led by senior center Vincent Harris, and forwards Fontaine Dantzler and Ralph Rogers. The highlight of the winter season was the first round victory in the State Tournament over local rival Passaic County Tech, on a last second shot by junior guard Elvin Mickens.

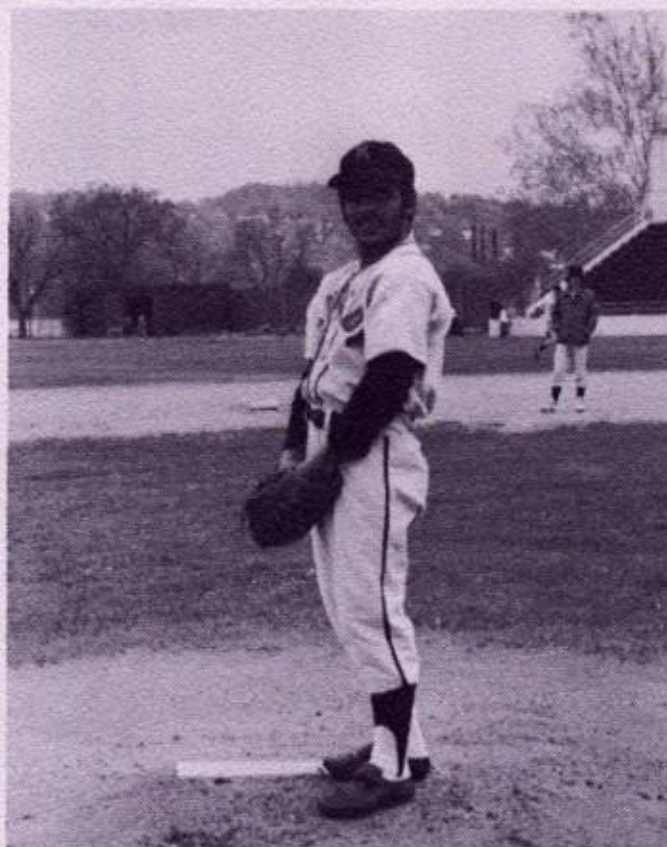

CENTER: Fontaine Dantzler. RIGHT: Vincent Harris. CENTER — LEFT TO RIGHT: Ralph Rogers, Richard Ruth, Paul Shoulars.

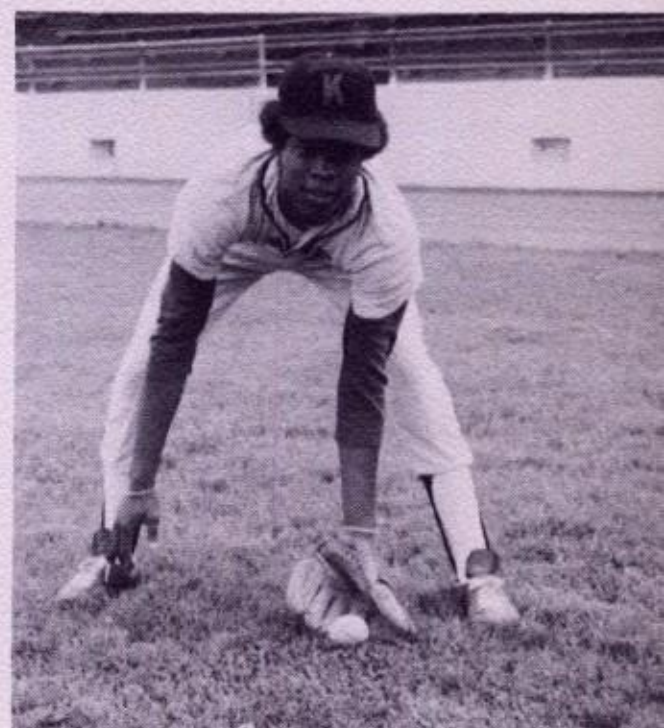

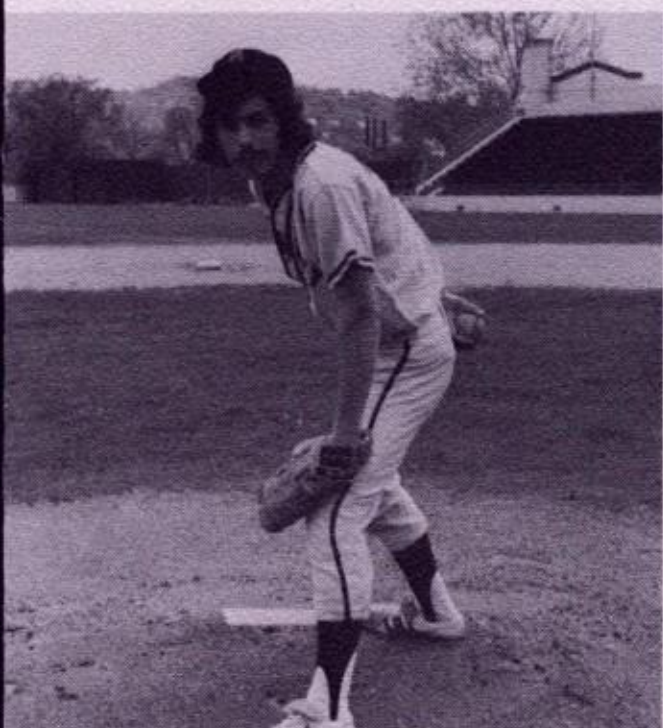

Baseball

This season the Baseball Team once again had to face a tough schedule both in the league and with independent opponents. The team was led by the pitching of seniors Fernando Cosme and Steve Ranieri and the hitting of outfielder Chuck Mignone. The highlights of this season were consecutive one run decisions over two of Kennedy's toughest opponents, Lyndhurst and Don Bosco Tech. To the coaching staff of head coach Ed Cartotto and the rest of our fine baseball team, congratulations on a job well done. Mr. Cartotto was assisted by Mr. Steve Hazuda and Mr. Rudy Demarest.

Majorettes

Providing entertainment at halftime shows, the majorettes were an integral part of the band complement. Led by captain Barbara Kuzmech, the majorettes devoted long hours to practice which was shown by their fine performance.

In Memoriam

Among the numerous memories of Kennedy High is the memory of one of our faculty members who we so suddenly lost this year, **Mr. Ted Palamone**.

Mr. Palamone served many students, past and present, with his experience, counseling, and concern, as a member of our Guidance staff. He also, through his skill, devotion, and patience reigned as Kennedy's most successful basketball coach.

The seniors and underclassmen of John F. Kennedy would like to express their most earnest sympathy to the family and loved ones of **Mr. Palamone**. This man has been taken from our midst and we will suffer his loss, but his neverending efforts, deeds, and especially his memory will linger always.

Finale

Now that we have passed through this prism of John F. Kennedy High School, we shall each be incorporated into the vast spectrum of ambitions and goals.

This short but enlightening experience in the life of an eternal light will long be remembered.

Each moment of our diminishing past shall be transformed into colorful projections that gather and meet only to be reflected and transformed once again.

CONTINUED SUCCESS

ALMA MATER - To be sung at graduation

Thru the years when we are gone
Your ideals shall lead us on
Virtues which your life gave proof
May we ever hold in truth
You've passed the Torch
We'll carry it high
Ever a beacon ne'er to die
That our nation under God
Shall ever prosper and grow strong

Ralph,
Although
we lost you, you
still were a great
President of our class that was
so great. I hope you really
become successful in Politics. I
hope our friendship shall never
ever fade or die out throughout the
long oncoming years. Best wishes
I thank you for your faithfull work to help
make our class so successful.
Dave

Will miss you
Good luck
to you
Geo Brune

Ralph,
Lots of luck
Love & Happiness in what
ever you may do. Remember
all the broken test tubes
in Chem Lab. it was really
great knowing you and
staying the nice guy you
are.
Love
Dabbie

Ralph,
To a great brother & friend,
Best of everything all your life,
Lots of happiness to go with the
success you are certain to achieve.
Alex

Ralph,
To the best little
brother anybody ever had!
I am really proud to have
you for my brother & future
law partner.
I know you will be
tremendously successful
throughout your life, because
of the brains, ability &
personality you possess.
Good luck, 'til
Ronnie

Ralph

- We've been through
many campaigns together, and

I have the utmost faith that you
will one day be the person we are
campaigning for.

Best wishes for the future -
